DIG DEEPER, LOOK CLOSER, THINK BIGGER

KREC Equality Diversity and Inclusion conference for Schools

NHCAW 2021 and BHM 2021 Offer

Date: 22nd October 2021 -

Duration: 8.45am to 1.00pm (Half Day)

Venue: Tolworth Girls School

Aim:

To work with students to raise their awareness on the importance of Equality Diversity and Inclusion

Objective:

To bring students together to work in groups to promote Equality Diversity and Inclusion

To foster engagement within Schools through Equality and Inclusion project activities

Increase knowledge on various strands of Equality and Diversity

Process:

This conference is targeted at the upper end of the Secondary School students – Year 9 and above.

We are inviting up to ten students from each secondary school to come to the conference and help tackle an Equalities Diversity and Inclusion campaign on the day

Students will work in their school group at the first session of the conference. They will be given a strand of Equality (eg Disability, Mental Health, etc) and asked to design a campaign idea (strategy) including a poster campaign for tackling the area of Diversity and Equality that they have been assigned. This will be presented at the end of the session in a plenary.

Students will then be put into a mixed school group, different from their original single school group. They will be asked to use the campaign designed earlier to form the basis of a campaign that will be delivered (implemented) by their group. This can take any format including a poster campaign

KREC will want to use some of the campaigns designed with various schools to highlight Equality Diversity and Inclusion strategies and Policies if the participating schools agree.

Participants will be presented with Equality Diversity and Inclusion certificates by the Mayor of Kingston.

KREC will aspire to review the campaigns annually and hold an annual conference to promote Champions of Equality Diversity and Inclusion in School especially within School Councils.

Refreshment will be provided by Tolworth Girls School at the end of the half day conference.
